## 2015 HAWKEYE DAY of CARING

**Hawkeye Day of Caring** is a program facilitated by the Iowa Student Athlete Advisory Committee (ISAAC), whose goal is to encourage community service among Hawkeye teams and individuals. The group has successfully undertaken Day of Caring the last fifteen years. Student athletes are partnering with the United Way of Johnson County to arrange various clean-up and spring-time activities in the Iowa City and Coralville area.

For more information or to volunteer, contact Grace Haerr at [grace-haerr@uiowa.edu](mailto:grace-haerr@uiowa.edu) or Andy Winkelmann at [andrew-winkelmann@uiowa.edu](mailto:andrew-winkelmann@uiowa.edu).

**"Day of Caring is a tradition that I am proud to be apart of. It allows us to thank all our supporters from the Iowa City community. Hawks help Hawks! "**

*-Grace Haerr*

**"Day of Caring is a great way for student athletes to give back to the community that always provides us with so much support. It's a fun and enjoyable way for us to show our appreciation and try and make our community a better place."** *-Nicole Rae*

**"Day of caring is an opportunity to participate in a community of giving. It's nice to take a day to whole-heartedly give back as representatives of one of the most amazing institutions across the nation."** *-Emma Willis*
