### STUDENT PROFILE:

**Sam Logic**

**Women's Basketball**

Where are you from?  
I'm from Racine, Wisconsin.

What are you majoring in?  
I am double majoring in Exercise Science and Sport Studies, with a minor in Human Relations.

How has being a female student-athlete at Iowa affected your life?  
Being a student-athlete affects my entire life. It has allowed me to go to college at an out-of-state school, and teaches you so many life skills: priority and time Management, and the necessity of hard work and teamwork. These are all things That will carry with us long after our time at Iowa is done.

Who are some of your female role-models?  
I have really looked up to my mom and a few of my older cousins.
